Recap

We have conducted 6 Inductions to the Football Manitoba Hall of Fame with our 7th upcoming in Fall 2018. These Induction Ceremonies have been very successful due to the representation of those being inducted, as well as the football community that attend this highly prestigious event. Over the years we have attracted many Patron donations from our football fraternity which has provided the Hall of Fame with funds to continue the inductions as well as provide opportunities to expand our operation with a Hall of Fame location.
